THE papers report a good many grip cases in Louisville. Yes; the hotels are full of 'em.

THE only time that a politician has any use for a newspaper man is when he is a candidate.

THE name of The Times-Star ought to be changed. In view of the superb work of its head-liners, The Evening Studhorse Bill would about fit it.

AGUINALDO must be as many as GOEBEL's murderer. They have already killed four or five of him, but he bobs up again every few weeks.

THE United States Mints last year coined three times as many silver dollars as were coined from the foundation of the Government down to 1878. What have the Free-and-unlimited Coiners to say to this?

THE twentieth century promises wonderful advances in all things, intellectual and physical. One of the most hopeful evidences of this may be found in the fact that Br'er DULEY has indorsed the "Trust."

WHEN the "Goebel assassin" cases were called in Judge Cantrell's menage at Frankfort Monday, the chief "character assassins" were not in the collection. TOM CAMPBELL, ARTHUR GOEBEL and JUSTUS GOEBEL had pressing business elsewhere.

THE disappearance of the Honorable UBERT NOAKS, TOM CAMPBELL KAMMER's "star" witness, is causing the Goebelite prosecution no little worry. NOAKS's bond will be forfeited in case of his failure to appear, and his bondsmen are scouring the country for him.

THE Lexington Democrat has this cheerful remark as to Kentucky's seat of government—

"Of the thirty-four inquests held in Franklin county last year thirteen were murders; and yet that county is supposed to be in a civilized section. The worst feud-ridden mountain county hasn't a record so bad."

Don't forget, please, that Franklin county is one of the chosen spots where His Whiskerettes deals out political justice.

Whoever has suffered from piles knows how painful and troublesome they are. Tabler's Buckeye Pile Ointment is guaranteed to cure piles. Price 50 cents in bottles. Tubes, 75 cents. J. J. Wood & Son.

Mrs. James Cosgriff, formerly Miss Bullock, born at Dover July 20th, 1851, died Monday at her home at Newport.

Be careful of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle. RIVER NEWS.

A slight rise is reported coming out of the Allegheny.

The George Matheson passed up yesterday with a tow of empties.

There is a strong possibility of a Pittsburgh packet the first of next week, if not tomorrow night.

There is now no ice in the river, but there might as well be as far as navigation is concerned. There's no water.

The Courier has a cinch. There are no opposition boats running in the local trade, and she went into Cincinnati Tuesday night with the water running over her guards.

Maysville now has as pretty a grade or landing as any town on the Ohio river, and it is going to be kept that way, as Captain Phister and Major John T. Short, Chairman of the Wharves and Ferries Committee, are men who believe in keeping things in order.

The steamer City of Louisville Tuesday night completed the most remarkable record made by any steamboat. She made her 2,000th trip in the Cincinnati and Louisville trade, covering a distance of 300,000 miles, which is equivalent to twelve times around the globe. The most remarkable thing about the record is the fact that the steamer did not have a mishap. Mr. Henry McClanahan of this city is the Head Engineer of this crack steamer.

The decision in the Bonanza-Virginia collision case, which occurred on the morning of December 5th, 1900, at the head of Manchester Island, has been announced by Messrs. Dameron and Fearn, local Steamboat Inspectors. There were fifteen witnesses before the board. The decision is to the effect that J. H. Ollum, Pilot of the Virginia on the night of the collision, has his license suspended from January 14th to February 12th for disregarding a rule governing navigation. Elias L. Argo, Pilot of the Bonanza, was relieved of all blame. Pilot Ollum, in his testimony before the board, stated that he saw two white lights about 1,000 yards above him, and knew the same to be something. Those lights afterward proved to be the Bonanza. He disregarded giving the first signal and the danger signal. The steamer Virginia had a bad hole stove into her sides, but she was able to get to Pittsburgh and return to Cincinnati. She is charged her freight and was placed on the docks. She is out, and at present near Pittsburgh.

The fragile babe and the growing child are strengthened by White's Cream Vermifuge. It destroys worms, gets digestion at work, and so rebuilds the body. Price 25 cents. J. Jas. Wood & Son.

The regular monthly meeting of the Dr. Basil C. Duke Chapter, U. D. C., will be held in the New Public Library Monday, January 14th, at 2 p. m.

Mrs. THOMAS J. CHENOWETH, President.

A Prominent Chicago Woman Speaks. Prof. Rosa Tyler of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies, but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy, and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by J. Jas. Wood & Son, Druggists.

IN LARUE COUNTY.

The Marriage Record Shows When Abraham Lincoln's Father and Mother Were Married.

Hodgenville, Ky., Jan. 11.—It can not be doubted that this (La Rue) county is the birthplace of Abraham Lincoln, but Washington county, adjoining La Rue, is entitled to some distinction. Lincoln's father and mother were married in that county on June 12, 1806, as the following certificate, filed in the county clerk's office, shows:

"I do hereby certify that the following is a list of marriages solemnized by me, the subscriber, since the 25th of April, 1806, with the date thereof: Thomas Lincoln and Nancy Hanks, June 12, 1806. Given under my hand this 23d day of April 1807.
"Jesse Head, D. M. E. Church."

The record is given with about 20 others. Jesse Head was one of the pioneer Methodist ministers of Kentucky. A number of historians state that the marriage of Thomas Lincoln to Nancy Hanks occurred on June 12, 1809.

PYTHIAN ORPHANS.

An Effort Being Made By The Members of the Order to Raise Funds to Build an Asylum.

Lexington, Ky., Jan. 11.—At the meeting of Phantom lodge, No. 15, Knights of Pythias, it was decided to make an effort to have the Pythian orphan asylum located here. About a year ago Past Grand Chancellor A. C. Green, at Henderson, began the movement for an endowment fund for the establishment of such an asylum. It is estimated that by the end of the present year the 6,700 members of the order in Kentucky will have raised a fund of \$800,000. There are about 300 Pythian orphans in the state, and the need for a home for them is great. Past Grand Chancellor W. C. Quinby, of Dayton, Ky., is chairman of the board of control, which has charge of the movement. Winchester has offered \$10,000 and ten acres of land. Just what Lexington will offer has not been determined.

To Hear Chinn's Case. Frankfort, Ky., Jan. 11.—The court of appeals has entered an order setting the case of County Clerk Claude Chinn, of Lexington, for hearing on February 13. Attorney General Breckinridge filed a suit to oust Chinn because of an alleged shortage of \$10,000 in his accounts.

A Lieutenant Governor. Louisville, Ky., Jan. 11.—The court of appeals may soon be called on to decide whether or not an election for lieutenant governor should be held next fall. Many claim one is necessary since Beckham has vacated the office.

Weldon Station Fund. Lexington, Ky., Jan. 11.—The station season fund for the benefit of Harry Weldon is developing into a big success. Two clerks are kept busy mailing tickets in exchange for the dollars which are coming in to Treasurer Young.

The Gun Was Loaded. Hopkinsville, Ky., Jan. 11.—Henry Mosely was handling a gun that he did not know was loaded, when the weapon was accidentally discharged. The load entered his body and caused death.

PROVE ALL THINGS.

This Old, Old Command is Easy to Fulfill in Maysville.

To win a wager an English Marquis stood on London Bridge and offered for an hour British sovereigns (\$5) for five shillings (\$1.25). He could not find a customer. There are several good reasons why the ordinary mortal could not be induced to buy, but no reason can be given why Maysville people will not accept the following convincing proof about Doan's Kidney Pills. Read this: Mrs. J. B. Orr of 132 East Third street says: "The curative powers of Doan's Kidney Pills entitles them the fullest confidence of all in need of a medicine for this far too prevalent ailment, backache. I used this remedy, which was gotten for me at J. Jas. Wood & Son's Drugstore, corner of West Second Market streets, and the results obtained prove it to be a reliable cure."

For sale by all dealers; price 50 cents a box. POSTER-MILBURN CO., Buffalo, N. Y., Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.
